

## 1. Product: LED STADIUM LIGHT

### PRODUCT SPECIFICATIONS

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Model No.:        | SW-TS08M-250W                                       |
| Power:            | 250W                                                |
| Input:            | AC100-277V, 50/60Hz                                 |
| PF:               | > 0.97                                              |
| IP Grade:         | IP66                                                |
| THD:              | 10% (at 230v, 50Hz)                                 |
| Surge protection: | L/N-PE: 10KV, L-N: 6KV; 20KV version is for option. |

### TECHNICAL CHARACTERISTICS

|                    |                                      |                       |            |
|--------------------|--------------------------------------|-----------------------|------------|
| Color:             | Warm White                           | Natural White         | Cool White |
| Color Temperature: | 2700-3200K                           | 4000-4500K/5000-5500K | 5700-6500K |
| CRI:               | >75Ra                                | >75Ra                 | >75Ra      |
| Light Efficiency:  | 160lm/w                              |                       |            |
| View angle:        | 20°, 40°, 60°, 49°x21°(asymmetrical) |                       |            |

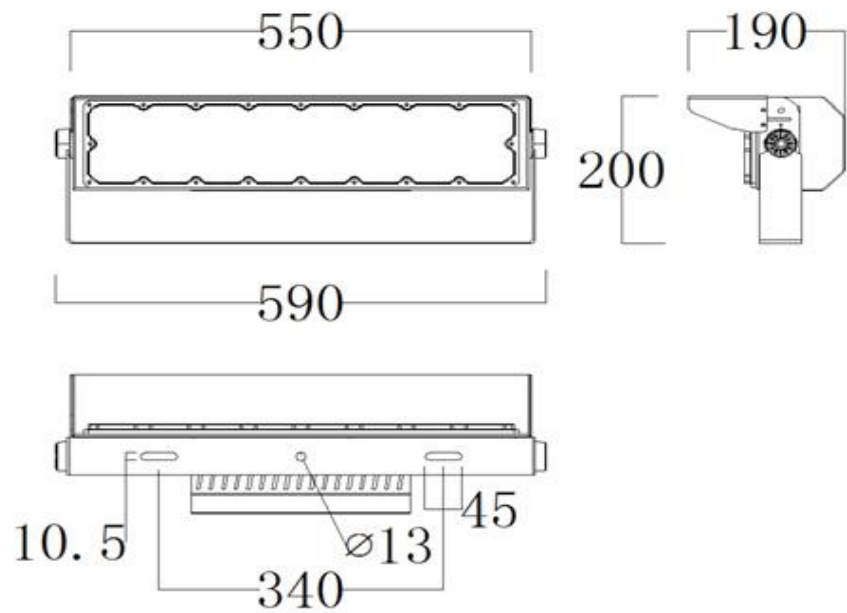

### CONFIGURATIONS

|             |                        |
|-------------|------------------------|
| LED chip:   | 5050 SMD LED(Lumileds) |
| Heat sinks: | Aluminum               |
| Body color: | Black                  |

### OTHERS

|                        |                                        |
|------------------------|----------------------------------------|
| Operating Temperature: | -35℃ - 50℃                             |
| Operating Humidity:    | 10% - 90% RH                           |
| Storage Temperature:   | -35℃ to 60℃                            |
| Net W./Gross W.:       | 6.20KGS / 7.10KGS(one piece)           |
| Packing size:          | 670x270x260mm, One piece in one carton |
| Warranty:              | 5 years                                |
| Certificates:          | CE, RoHS, SAA, ETL                     |

## 2. Product size:

## 3. Applications:

Widely used in shopping mall, billboard, exhibition hall, parking lot, tennis court, gymnasium, park, garden, building facade, any indoor or outdoor areas.

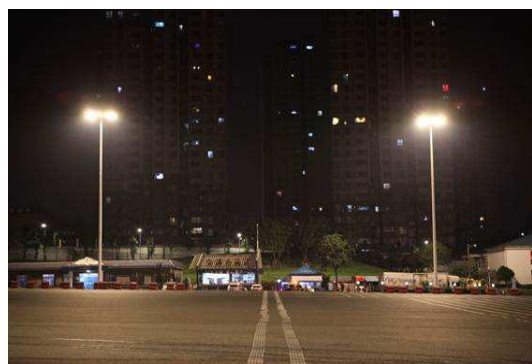

Outdoor tennis court

Indoor tennis court

Outdoor car parking lot

Public area
